

Monroe Primary Center

Arrival and Dismissal procedures

Arrival

Students can be dropped off at 7:45 a.m. Please know there is NO supervision for any child prior to 7:45 a.m.

Students will be outside unless temperatures drop below 30 degrees or raining.

Car-Riders

Car Riders can be dropped off on CARROLL STREET ONLY. PLEASE drop off and drive away. We will have adults monitoring the students for their safety. Sitting in the car line causes the flow of the cars to be disrupted.

All kindergarten through second grade students will line up at Door 2. (Carroll St)

All third and fourth grade students will line up at Door 1. (Front Entrance)

Walkers

All kindergarten through second grade students will line up at Door 2. (Carroll St)

All third and fourth grade students will line up at Door 1. (Front Entrance)

Bus Riders will enter through the bus doors.

Dismissal: All Changes to transportation for a student needs to take place PRIOR to 1:00 p.m.. If it is after 1:00 pm, we can not guarantee your child will receive the message. If you know your child's transportation will be changed, PLEASE send a note with your child to give to the teacher.

Bus Riders and Car-Rider Students are dismissed at 2:20p.m.

All Car-Riders MUST be picked up in the front U-drive. Please be patient in this process. It is for the safety of your child.

Please drive to St. Joseph street, west on Farneman, and north on Carroll to the U-drive. Again, this is for our students, and your child's safety.

NO CARS will be allowed to be parked on Fellows Street or Donmoyer Ave to pick up their child. This is a safety issue and it will not happen. Please be respectful of this request and procedure we have in place for our students.

SAFETY COMES FIRST

In the 2016-2017 school year we had too many students walking across the middle of the street to meet a family member or parent and were almost hit by a car.

Walkers will be released at 2:25 p.m. from Door 2 and will be walked to the crossing guard at Carroll St & Donmoyer Ave or released to walk to the Donmoyer Ave & Fellows St crossing guard.
